

# Caterpillar Clayton Apprenticeship Program

*A collaborative partnership among Caterpillar, Johnston Community College and ApprenticeshipNC.*

The **Caterpillar Clayton Apprenticeship Program** was designed to continue developing our talent pipeline of **skilled employees** while celebrating their hard work and dedication to their **careers** at Caterpillar. **Registered Apprenticeships** ensure individuals **develop skills** and get the **credentials** for a **career** and not just a job. Best of all — no college debt that can take years to pay off!

## What will I get out of the Caterpillar Apprenticeship Program?
